

Praying in faith, hope and love - 2014

Filled with testimonies of Muslims who have found the Messiah, the new *30-Days of Prayer for the Muslim World* inspires biblical Faith, Hope and Love for the lost. Two decades ago we printed our 1st Edition of the global prayer effort which focuses Christians to pray for the Muslim world. God has been answering in miraculous ways!

What Has Changed During 20 Years and 22 Ramadans?

So much has happened during these last two decades. God is at work using many different means to make Himself known among Muslims. “30 Days” has played a part in raising awareness and promoting prayer for Muslim peoples among believers worldwide. This year we focus on LOVE. You will be challenged and encouraged as you pray about cultural issues and for many unreached, unchurched, people groups.

When Is It?

The dates coincide with Ramadan: 28 June - 27 July 2014. Ramadan is a great way to “pin” a prayer movement on something Christians can understand and relate to, literally the Islamic calendar month called Ramadan. During Ramadan Muslims are fasting and often much more open to spiritual realities. We receive many testimonies of Muslims turning to Christ during Ramadan.

Practical and Spiritual

With helpful articles such as, "What Today's Muslim's Believe," Christians not only have the spiritual tools to pray for Muslims but practical tools to reach Muslims too. Discover the world of Islam, Reaching Muslim Students, and Hope for Heaven. Most Muslims have internalized the ideals of human rights and democracy, however, they have also become more religious and conservative at the same time.

How To Order

Your local Christian bookstore or church should have copies. Otherwise, please check on the International website for your national office. The booklet is available in many languages from 37+ national or regional offices and Evangelical Alliances. [www.30-days.net/order]

About 30-Days International

This call to prayer for Muslims originally came during a meeting of several Christian leaders in the Middle East in 1992. Several believers involved in an international movement strongly sensed God’s desire to call as many Christians as possible to pray for the Muslim world. Since then, a prayer booklet has been produced coinciding with each Ramadan. This is our 23rd edition since Ramadan begins approximately 10 days earlier each year.
