## PARTNERS

LIVE STREAM: SEPTEMBER 2017, 22nd - 24th

Thousands of Afghans have come to Europe. Having fled from their home country, leaving everything behind they are looking for new hope and orientation for their lives. As Christians in Europe, we want to share the gospel with them.

## WHAT IS CHRIST4AFGHANS?

Christ4Afghans is a live evangelistic campaign for Afghans done in their own language and culture. Afghan believers share the Good News of Jesus the Messiah through music, interviews and talks. The program produced by Pamir media will be broadcast from the 22nd-24th Sept. 2017 from a church in Germany and will reach other churches or homes around the world via livestream.

## HOW TO GET INVOLVED?

At [christ4afghans.org](http://christ4afghans.org) you'll learn how to get in touch with Afghans and find a lot of helpful guidance for the Gospel evenings (including recipe ideas for traditional meals). You can order invitation flyers and find out about follow up material.

Become a part of the fascinating movement that God is currently initiating among Afghans: Many of them are experiencing forgiveness and reconciliation through Jesus Christ and are becoming ambassadors of Christ's peace.
