

**The next *Hope for Europe* – *Women in Leadership* Network-Conference**

**will take place in Sarajevo/BIH from June 7 to 11!**

**Do not miss it, if you are a leader in missions, in a church, in a charitable organisation, or in the business world** – you may be new in your position, or serving since many years – you may be young or older.

As a team of 11 women from 9 European countries we have prepared a great program for you under the topic **EMBRACING CHANGE – FRESH PERSPECTIVES**.

**How does change affect our lives, our ministries?** This topic will be addressed in workshops on topics such as resilience, managing finances, and leading with emotional intelligence.

**It will be refreshing few days in a wonderful hotel, Hotel Hills, with interesting and inspiring women from all of Europe.**

**The days will start with worship and Bible study** and will also include testimonies from different countries, seminars and workshops, an interactive prayer experience, and much more.

**The Bible expositions** will be done by **Amanda Jackson** (*World Evangelical Alliance*), **Kristina Ecis** (*Academic Dean of Latvian Biblical Center*) and **Dr. Jennifer Williamson** (*Church planter in France*).

**On Friday afternoon** we will tour the beautiful, historic city of Sarajevo.

**On Saturday, women from the area will join** us for a meal and more workshops, carefully prepared by many different European women.

**If you plan to come, please register as soon as possible till end of April.** After this date, the hotel is free to give the beds to other customers, as June is their high season. We hope that

registration can still be continued after end of April, but the prices may go up and we cannot guarantee you a room in Hotel Hills.

So please, register as soon as possible with this link:
