## APPEAL

of the Ukraine Council of Evangelical Protestant Churches  
to leaders, bishops, pastors, and brothers and sisters  
in Evangelical Protestant Churches worldwide

**Dear Servants of God!**

**Dear brothers and sisters in Jesus Christ!**

On behalf of the Evangelical Protestant churches of Ukraine, we address you at this critical and tragic time for our nation. For over eleven years, the Ukrainian people have been fighting for their existence, freedom, and dignity. The full-scale war ongoing since 2022 has caused unprecedented suffering: tens of thousands killed, millions of internally displaced persons and refugees, destroyed cities and villages, abductions and deportations of children, as well as persecution of churches, especially in temporarily occupied territories.

Despite the depth of pain and trials, we affirm: God is alive and active. His Church in Ukraine continues to fulfill its calling—to pray, serve, support the needy, and proclaim the Gospel even in the darkest circumstances. We are convinced that our struggle is not only physical but also spiritual.

Therefore, we sincerely call upon you to join the **Global Day of Prayer for Ukraine** taking place on **August 24, 2025**, Ukraine's Independence Day.

This initiative has been endorsed by the President of Ukraine, underscoring the significance of prayer and the unity of the Ukrainian society and government in this critical time.

We ask that on this day evangelical churches worldwide unite in prayer for:

- an end to the war and the establishment of just peace,
- protection and restoration of the Ukrainian people,
- healing of physical and emotional wounds,
- release of captives and return of abducted children,
- strength, wisdom, and endurance for the Church of Christ in Ukraine.

Prayer is our spiritual frontline. We believe that when the Body of Christ around the world unanimously turns to God, it becomes a prophetic act of faith capable of changing the course of history. May God's peace and sovereign will be fulfilled in our nation and throughout the world.

Would you please join the initiative and declare **August 24, 2025**, a special day of prayer for Ukraine in your congregations and church fellowships.

Additional information and prayer materials are available at:

We sincerely thank you for your faithfulness to the Lord, brotherly love, and spiritual unity with us. May the Lord bless, strengthen, and inspire you in your ministry!

With prayer and gratitude,  
Council of Evangelical Protestant Churches of Ukraine
